Mr J. G. Collier
Barnesville Ga,—

Dear Sir—

Yes mama is with me, though she says she couldn't tell you anything of the Collier family. She lived in 2 miles of him two years but she never met him and doesn't know anything of the Collier family. The old Lady Richardson that was reared near Piedmont might could give you some information. She still lives in the neighborhood where the old man

Collier died,
Mr. John came down home
Sunday to see about it, but
mama told him she couldn't
tell him anything.-

Sincerly,
Mrs. Emma Wilson
